trines of each, to see which one of the no one can deny would be a hardship, a and he must have suffered all three is really bearing the standard of calamity at the present time.

be our duty to reject him, or them, with doctrine. . . General Echols favored the resumption act and the National Banking system is not airaid to avow his sentiments, the

that it is the best yet devised.

This made up the the issue between these gentlemen. The people of this county want no comment. Opinion is all one sided and fully made up. What the necessity is for taxing the people twenty millions for a currency to be distributed plentfully in New England and scanning and later, he delivered himself hol and strong for re-adjustment be explained. It is simply a monetros.

Something singular about it, however, last through fraud largely increased over what he justly owes, then he justly owes, then he should pay only so much as he justly owes. This amount he should pay, to owes. This amount he should pay, to the sacrifice of everything. We want prominent men, Judge flarris was as specifies on the subject as a Pharaohic mummy; and later, he delivered himself hol and strong for re-adjustment be explained. It is simply a monetros. It is a pity that he didn't choose to then arises what shall the currency be

journ the trial of a case that had been Harris expresses himself in favor of man having large unencumbered estates trappearing by afficiency evidence that the commenced, and was not concluded till about six o'cleck there was no appear abolition of National Banks, and in gives his negotiable note. It passes, ance put in for him. We think however favor of an issuance of greenbacks suffi- where he is known, as currency, at its ance put in for him. We likink however there can be no misunderstanding as to the several positions of these gentlemen. He seems to scora particulars here as very wealthy, yet having all his proon the paramount issues before the well as on the debt question. He fails perty ned up so that a law suit recovers to tell us to how great an extent he nothing from him, gives his negotiable would issue greenbacks, and also note. It passes probably among brokers whether he would base his greenbacks but at a very much reduced value. The Tax-Payers, Take Motice! or specie; two overwhelmly important Government, being extensive and NEW ORLEANS, Oct, 5 .- The fever considerations. I should like to hear seemingly wealthy, issues negotiable

rini. In the lower pertion of the city Attended Matter Matter Matter State Televiste Universities and They pass current everywhere, so long as one most day of Becombs Judge Harris: he congratulates himself on the fact that Gen. Echols does not attack his record in Congress. It might discuss a creation of the issue excessively large, and no occur to some persons to ask what occur to some persons to some persons to some persons to some persons warm. The city is now a hespital. Almost every house contains some suck.
We are now in the malet of trouble.
Those who are well are worn out through the want of rest and sleep. Judge Buckiner, another active and calleient Howard, is down. The deaths include 20 feels his faults are chiefly those of omission.

Mr. Paul announces himself on un- property, agreeing merely to receive Harmans Mill, Tuesday, Oct. dard Guttenberg, Mr. Jno. C. Norcross. teamboat engineer of St. Louis, and at dississippi City Mrs. W.m. B. Clark.

Gov. Nicholis to day received a telerant that one of his children lind taken in a absociated its analysis. The autounces unused and unstantial term in does. If the amount issued were only so much as became due the government, so far it would be a valid of the see who accept this doctrine, in haven that one of his children lind taken in a absociated its analysis of the amount issued were only so much as became due the government, so far it would be a valid of the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued were only so much as became due the promise far the amount issued to the pro steamboat engineer of St. Louis, and at Mississippi City Mrs. Wm. B. Clark.

Gov. Nicholis to-day received a telegram that one of the children had taken the fever at his contry residence, near Thibodeaux. The Governor, accompanied by Dr. Choppin, ten at once for Thibodeaux and the control of the children had taken the fever at his contry residence, near Thibodeaux. The Governor, accompanied by Dr. Choppin, ten at once for Thibodeaux by a special train. Against the control of the dark who have a merchant and the control of the dark who have a merchant and the control of the dark who have a merchant and the control of the dark who have a merchant and the control of the contr

miss. Four deaths at Vicksburg, Miss.
Two deaths at Jackson, Miss. One to two deaths reported in other metrior places hitherto mentioned at the dispatches. The fever has appeared at Deputy's place, five miles from Clinton, La. Clinton is nearly depopulated from alarm. There were two denths from yellow fever at Chattanoega, both colored and twenty-one new cases, fourteen colored. Free rations and faith in immunity from the fever caused the blacks to remain in the infected quarter.

Latter.—On Sunday Chattanoega reports nine new cases, seven of whem are colored. Woather cooler, with a brisk norther.

At La, Grange the state of affairs is most distressing. There are now unsupplied to the figures making up the wolume of the State debt and of course of the Rehels late in the day, taking his position in antagonism to Judge Harris and Mr. Paul, apparently thinking that his side of the question will poll a little more than one third as many votes as the side of Judge Harris and Mr. Paul. And right here I would say that Gen. Fehols seems to have chosen sides, merely to get to consideration would go to show. Last wainter he was in the Legislature, and on the Finance Committee. He had ample opportunity of scanning the figures making up the volume of the State debt and of course of the Release of the question the fever is still great. At New Orleans the fever is still raging. It has spread through the country and appears the fever is still great. At New Orleans the fever is still raging. It has spread through the country and appears the fever is still raging. It has spread through the country and appears the fever is still raging. It has spread through the country and appears the fever is still raging. It has spread through the country and appears the fever is still raging. The feve most distressing. There are now under treatment about 50 cases and the der treatment about 50 cases and the was familiar with them. No one has great need at that point of money and provisions for both sick and well, as the from the statement of the debt as provisions for both sick and well, as the stock on hand is about exhausted.

Most of the suspicious cases at Cairo, III., have developed into yellow fever, and the change to cold weather has resulted unfavorably. Four deaths in twenty-four hours; no new cases. Considerable excitement is apparent at this debt can be met at the present now sick will not exceed ten.

At Hickman, Ky., ten new cases, four deaths.

At Hickman, Ky., ten new cases, and the cone down to figures and three deaths.

At Canton, Miss., eight new cases and the cone down to all the cone down to figures and three deaths.
